Dear ACCJ Members and Non-members,

The American Chamber of Commerce in Japan (ACCJ) established its Disaster Relief Fund this month to help those in need as a result of the earthquakes and tsunami that devastated northeastern Japan.

Many of us not in the immediate disaster area feel the necessity to contribute in a way that will directly benefit the communities overcome by the disaster – and those numbers have been growing.

Therefore, I am asking members and non-members alike to donate generously. All contributions will make a difference.

If you have already contributed, thank you! Please remember you can continue to help by passing on this call for contributions. Many in your network would like to help, but may be unsure of how to do so.

Helping Japan at this critical time is the most important thing that we, as the international business community, can do.

Thank you for your contribution to the ACCJ Disaster Relief Fund.

Sincerely,  
Mike Alfant  
ACCJ President
