

Privacy Awareness Week Symposium

May 21st, 2018, 2:00 p.m. - 5:15 p.m.

There will be increased interest in privacy during May 2018, as it is a key month globally (entry into force of GDPR), regionally (APPA Privacy Awareness Week) and locally (1 year anniversary of new data protection law). Topics such as data portability, profiling and cross-border data flow are currently discussed or will be considered as part of the discussions on the potential amendments that will start from next year. The objective of this symposium is to provide information and updates on developments in data privacy law and practice so that Key Opinion Formers can have a fruitful discussion in the near future.
