

Is Japanese too difficult? Don't worry! It's useful, easy, and fun to learn!

Let's explore!

1 Visit to the stockpile storage inside Roppongi Hills

Roppongi Hills is considered as a reliable evacuation site in the area at a time of disaster. We offer the special tours to the stockpile storage where you cannot visit otherwise. You will find big piles of useful emergency supplies such as blankets, food, and others.

Tour schedule (30 min.)

- 11:30 a.m. -
 - 12:45 p.m. -
 - 2:00 p.m. -
- Please gather at the headquarters for sign up. First 20 people are invited to each tour.

The key word is "Bosai," meaning preparation for and risk reduction of disaster

There are more to experience!

- 11 Useful craft making for emergency**
- 12 A fire truck display**
- 13 Try the firefighter suit on and take a photo!**
- 14 Taste & prepare your emergency food for survival**
- 15 "Bosai" information (Minato City & Azabu Fire Station)**
- 16 Stamp rally**
Let's collect the stamps and get a souvenir! We have special souvenirs for the first 300 collectors at the headquarters!
